Ian,

Thank you for the nice response. I am pleased that you understand the concerns I expressed. Have a wonderful weekend.

I am cheering Portsmouth All Stars to victory, Melissa

Melissa,

Thank you for writing in first of all and thank you for listening. I don't have folks typically express themselves in such an adult manner if they have an opinion to share such as yours. Please understand that the Lobster for Salmon was intended to be the main focus of our 'wager' and the beer thing just kind of happened when they started bragging about their microbrews. Believe me I more than anyone am sensitive to the problem we have in this country with alcohol abuse. I lost a very dear friend to a drunk driver and my grand father died as a result of his excessive drinking. I can certainly see your point, but please understand this was meant to be nothing more than fun. The prizes were never meant to be for the boys, they were more intended for the respective staffs of the radio stations involved. If you would like to express your opinion further, I do have a blog on the website at [www.seacoastinthemorning.com](http://www.seacoastinthemorning.com) which I more than welcome you to post your views and see if other share your opinion (which I'm sure they do).

Thanks again...and never be afraid to write.

Take care,

Ian

**Subject:** Beer Wager-

Hello,

Let me begin this by saying that I do not usually send letters or opinions to media persona that I disagree with or am upset with, but this I believe is a travesty.

What I am talking about is the wager made with the radio personel in Oregon over the Little League game today. I can not believe that you and the staff at The Bay find it appropriate to wager beer on the game (played by 12 yr old boys) and to downplay the reality of problem drinking in this country. I had much more respect for you than that. Seacoast NH has so much more to offer than Beer. Kids in this are think of NE lobster as representing the seacoast.

Isn't this supposed to be about the kids and those boys representing Portsmouth and NH. Beer is not about kids!

Yours Truly a daily listener, Melissa

Rick Bean  
General Manager  
98.7 THE BAY  
101 Back Road  
Dover, NH 03820

Dear Mr. Bean,

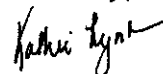

It is hard to know where to begin in thanking 98.7 THE BAY for its support of the 2006 Portsmouth Little League New England and New Hampshire Champion all star team and Portsmouth Little League. The radio stations coverage of the team as it moved through the district, state, regional, and international tournament ignited and sustained community support. We are especially grateful to the station for adopting the team after it claimed the New Hampshire state title and began its drive toward Bristol for the New England Regional tournament and maintaining its support throughout the Little League World Series.

Some of the special activities 98.7 THE BAY helped with included interviewing the team on air and holding a fund raising auction to raise donations for the team's drive to Bristol including securing a donated limousine bus for transportation to the New England Regional tournament and securing donations of food, beverages, and apparel. The "Send Off Breakfast" broadcast along with live "on air" reports and interviews with the coaching staff from Bristol during the NE Regional tournament and Williamsport during the Little League World Series helped involve the entire Seacoast community in the journey the team was taking. When it was time to return home, 98.7 THE BAY once again stepped up to the plate to host the team's return reception and to provide the sound system necessary for sharing the team's accomplishment with Seacoast residents and fans at the celebratory parade and rally.

We, in Portsmouth Little League, are fortunate to have widespread support for our program. Much of this support is engendered by the goodwill of individuals, service organizations, and businesses such as 98.7 THE BAY. Thank you for your special support of this team and for helping to keep the community informed about the team's experiences as it reached the US semi-final championship game of the 60<sup>th</sup> Little League World Series.

For record keeping purposes, our league is a 501 (c)(3) organization under the regulations of the Internal Revenue Service. We are covered under the Little League Baseball, Inc. Federal Group Tax Exemption Number 3158. We are registered in the State of New Hampshire as a Charitable Trust with the Department of Justice under registration number 12702.

Sincerely,

Kathie Lynch  
President  
Portsmouth Little League, Inc.

Hey Lindsey!

Thanks so much for your and "The Bay's" generosity during Caring & Sharing program today. Your help is greatly appreciated by all of us here at the Dover Police Department and on behalf of the department's Holiday Basket program. Your food drive support jump starts our Holiday Basket program every year for those in need during the Christmas Season.

If you are doing the gift cards again this year, please keep us in mind as those went a long way last year for the recipients who received a Holiday basket from us.

Thanks again for your support and have a great Holiday season!

Dear Lindsay,

Please pass along our very grateful thanks for all the work you and others at the radio station put into the Sharing and Caring program that was so very successful this year. I don't know how many agencies you aided with this program, but we are all certainly better off than we were before Monday. Our shelves are full, our pallets at the pantry are full and we actually were able to put some into the off-site storage facility. What a wonderful bonus this is to us.

I've known, for a long time, that people are generally very generous. This program proves it beyond any doubt. The time and effort you and your helpers put into the program certainly paid off for the recipient agencies. Thank you all so very much. As we get ready for the Thanksgiving season, we can all give thanks for your help and generosity.

With gratitude,

  
Patricia Whitten  
Food Coordinator

Dear The Bay:

On behalf of the Expedition Inspiration Fund for Breast Cancer Research and the New Hampshire Take-A-Hike, held on October 8, 2006, we wish to thank you for your in kind gift, (radio advertising valued at \$750.00), supporting the Seattle Cancer Care Alliance Women's Cancer Clinic.

We are in the process of organizing *Expedition Inspiration's* eleventh annual symposium, uniting eminent researchers from across the country. This forum encourages the exchange of ideas among many of our leading researchers in order to accelerate the development of new treatments for breast cancer. Annual grants are made to scientists at leading cancer centers throughout the United States. A list of recent grants is available on request or on our web site [www.expeditioninspiration.org](http://www.expeditioninspiration.org).

Since 1993 *Expedition Inspiration* has been instrumental in calling attention to the breast cancer epidemic and the urgent need to find a cure. Through outdoor adventures and celebrations, *Expedition Inspiration* has raised substantial funds for research and touched the lives of many. Without your support none of this would have been possible. Know that your donation will be used effectively and has made a difference.

For tax purposes, the Expedition Inspiration Fund EIN # is 91-1646381.

Best Regards,

  
Katie Powell  
Director Special Events

c/o Lindsey Robbins  
P.O. Box 400  
Dover, NH 03821

Dear Lindsey:

We are writing to sincerely thank you and the folks at The Bay & WTSN for your diligent efforts with the Caring & Sharing Food Drive. Because of superb community response to your broadcasts, Operation Blessing received over 1,400 lbs of non-perishable food items and \$1,000 worth of grocery gift cards to Hannafords. Having been personally there at the pick-up site, I was very impressed with the excellence in planning and execution of this event. We look forward to this Drive all year long.

There will always be among us, those who need a helping hand or an encouraging word when their world appears to be falling apart. Operation Blessing is the organization that people are so often referred to, when all other options have been exhausted and conditions are in a state of crisis. The food related contributions are already beginning to be used to help provide basic needs for some of the those who are struggling among us.

Our Sincere Appreciation

Rick & Rachel Sparkowich

Attn. Lindsey Robbins,  
Events coordinator  
PO Box 400  
Dover, NH 03821-0400  
November 22, 2006

Dear Lindsey,

This letter gratefully acknowledges you, your radio station and all who donated and worked to make this years Caring and Sharing Food Drive in November so successful. The 30 very large boxes of food were much needed by Footprints Food Pantry. Thank you so very much for asking us to join you again this year in your special event. Also a big thank you for the gift cards for \$320.00 dollars to Hannaford. We will put them to good use with Christmas dinners coming up soon.

We are still getting a lot of clients coming to the pantry, new ones every week. November and December are always very busy months for us, for we need to get food ready for special dinners as well as regular food for each client. We gave out 56 special Thanksgiving dinners and weekly food to 64 clients this year for a total of 90 adults and 52 children. In 2005 we served a total of 4642 people in our area. We are up to 4420 this year and have 5 more Wednesdays to go in 2006.

Members of the community donate to us every week, but it is not always enough to keep ahead of the demand. The bad weather on May 13<sup>th</sup> at the Postal food Drive this year really hurt our food supply. Your donation will help us so much to provide for all that need a helping hand in our community.

Again, please except our sinecure thanks for your support of Footprints.

Barbara Fernald  
Executive Director

Kelly

I am taking a break and  
listening to my CD's but  
I really like your group.  
Just a thought.

I do love Christmas  
music but I get it is a  
little too soon for all the time  
up.

Please can we mix it

all day every day Christmas  
music before  
a little much.  
But

you are always my first  
choice for morning radio,  
you help me get thru the  
dark day.

The Bay

11/27/06

The BAY:

You've got to be kidding me..... Nothing but Christmas songs, song after song, after song from now until Christmas.

I truly enjoy listening to your station while at work but you're going to force me to listen to another station that isn't playing Christmas songs or use my personal CD player.

Don't get me wrong, I love listening to & singing Christmas songs but everyday, all day long, 32 days before Christmas. Get a grip. The entire seacoast will hate Christmas songs long before the holiday gets here.

Mix it up, some regular songs & a Christmas ones. Please just don't play the Largest Christmas Song Library in the seacoast every minute of every day, day after day, after day.

The overkill is kind of like the department stores putting up their Christmas displays in October. I don't believe anyone is really crazy about that either. Too much isn't necessarily a good thing.

Sorry to complain but I've had enough already and it's only 5 days into it.

Wendy

Mr. Rick Bean  
General Manager  
WBYY The Bay  
PO Box 400  
Dover, NH 03821-0400

Dear Rick,

Santa Claus may reside at the North Pole, but we at The Homemakers know that his true spirit is found in people like all of you at WTSN and WBYY!

Thank you for helping to make The Homemakers Health Services' Holiday Basket project a success. Through Sharing and Caring we received 27 boxes of food and other non-perishable items.

With your help, we plan to deliver more than 250 food and gift baskets to elderly and disabled persons in need throughout Strafford County. This additional food will certainly be a blessing to these people, many of whom must choose between purchasing food or paying for other necessities such as vital medication or heating oil.

Once again, thank you for sharing the spirit of this Holiday Season with others.

Sincerely,

Claudette Boutin, RN  
Chief Executive Officer

P.S. Wishing all of you a healthy and happy Thanksgiving!

PO Box 400  
Dover, NH 03821-0400

Dear Lindsey,

Thank you for taking your time and effort to emcee and DJ at the annual ALS Association Northern New England Chapter's 2006 New Hampshire *Walk to D'Feet ALS*®.

This year's walks were held in Manchester, New Hampshire; Burlington, Vermont; and Portland, Maine. 361 participants representing 57 teams, successfully raising over \$90,500 in support of local patient services and nationally directed ALS research.

All funds raised as a result of the Walks will support the mission of The ALS Association Northern New England Chapter: "to find a cure for and improve living with ALS." Last year, as a direct result of the Walks, our ALSA chapter expanded both our patient services programs and our contributions to ALS research efforts. We increased the availability of much-needed communication devices and wheelchairs, expanded staff to assist area patients and added new support groups. In addition, we are proud to support the cutting edge research funded by ALSA. In the past 10 years, we have invested more than \$25 million in what is believed to be the most inclusive research program anywhere. ALSA has more than 100 different and diverse research projects across the United States and around the world right now.

Again, thank you for your thoughtful donation and for joining in our fight against ALS. I look forward to the day when we can all join in one final Walk to celebrate an end to this disease.

Sincerely,

A handwritten signature in cursive script that reads 'JoAnn St. Pierre'.

JoAnn St. Pierre  
Executive Director

The ALS Association is the only national not-for-profit voluntary health organization whose sole mission is to find a cure for amyotrophic lateral sclerosis (Lou Gehrig's disease) and improve living with ALS.

98.7 The Bay  
P.O. Box 400  
Dover, NH 03821  
Attn: Lindsey re: Caring and Sharing

To our Friends at The Bay, WTSN and the community,

I just wanted to send a heartfelt thank you for the great work and all the food donations A Safe Place received this year through the 'Caring and Sharing' program.

Because of 'Caring and Sharing' and everyone involved, we were able to provide holiday dinners to over 30 families as well as stock the pantry in all of our locations. All the donations we receive were distributed to best assist those in need.

Through our 3 offices in Portsmouth, Rochester and Salem as well as our confidential shelter location A Safe Place provides an array of domestic abuse services to over 47 towns in Rockingham and Strafford counties.

The difficulty for many victims of domestic violence is meeting basic needs. This can influence their ability to break free of an abusive partner. Financial dependence can be a major challenge for them. Thus, all donations do make a difference and empowers people to take back their lives, giving them 'a sign of hope'!

Thank you once again for joining us as we strive to break the cycle of domestic abuse.

I hope this finds you all well.

Peace now and always,

PO Box 400  
Dover, NH 03821

Dear Rick:

This year's Caring and Sharing Food Drive sponsored by WTSN and The Bay 98.7 was fantastic (as usual)!

Hard to believe, but this annual event gets bigger and better every year.

I know the planning, coordination, logistics, sponsor solicitation, staff and volunteer assignments, and recruitment of recipient organizations is no walk in the park, but your folks pull it off seamlessly and effortlessly, and they make it fun and enjoyable to boot!

Gratitude and appreciation is extended to all, and extra special thanks to Lindsey and Ian for being our point persons and oh so supportive of all that we do.

Your hard work and the generosity of your sponsors and listeners has allowed us to serve over 300 families who needed some help to get through a difficult period in their lives.

Thanks for everything!

Sincerely,

Dick

Subject: message for Ian!

Hey Ian!

I don't know if you remember me, but I am the waitress that worked at Clark's over the summer that waited on you a couple of times AND got your autograph, Kirstin. I just wanted thank you for talking to me about my interest in radio and your career in it, because if it hadn't been for that, I wouldn't be a DJ now! I am DJing at the lovely WUNH (91.3 fm) for a couple of months now, and I absolutely love it. Your encouragement over the summer definitely helped me to sign up and go through training - I was always a little nervous about how I would do, how I would sound on the radio, etc, but hearing how much you loved it and how rewarding it is helped put away those doubts. There were TONS of kids who wanted to become DJs, and I was actually the first to finish and get a show - Friday mornings 2-6 AM (eek!). Now I have moved up to Friday nights 10-12 AM, and hopefully sometime next semester I can finally get a day time slot! Alright I'm done talking. I mainly wanted to thank you for your encouragement and let you know I still listen if I have time to in the morning (I'm a busy college student!) So, thank you :)

- Kirstin

FCC 2<sup>nd</sup> Quarter Report  
Submitted July 11, 2006

Description of Issue	Date	Time	Duration	Narration of Type and Description of Program/Segment
Allowing high school students to play varsity sports after being arrested for drugs and alcohol	4/6/06	6 – 9am	10 min.	Two Portsmouth High School students have recently been arrested, one for drugs and one for alcohol. Because their arrests happened before their sport started, they were allowed to play. Listeners called in to share their views on this policy, which school officials are considering changing. Outrage was expressed over one student, Matthew Anderson, because he literally walked out of court and onto the ball field to pitch the season opener.
Local Leash Laws in Hampton Falls and the death of a cat	4/13/06	6 – 9am	6 min.	Two golden retrievers were found in a neighbor's yard with their dead cat in one of the dog's mouths. Although no one saw the dog actually kill the cat, the dog's owner was cited to be in violation of the town's leash law. Listeners called to discuss whether the dogs should be labeled "dangerous," which could potentially mean they would be destroyed if further leash law violations occurred.
Boston Marathon	4/14/06	6 – 9am	12 min.	Our Sports Director, Andy Schachat, is running the 110 <sup>th</sup> Boston Marathon. At 6:50am, he discussed the history of the Boston Marathon. At 8:50am, he interviewed Lynn Allen, a third grade teacher from Woodman Park School in Dover. Her class wrote letters to Andy encouraging his participation in the race. She read several of them on the air. Andy is running the race to raise money for a local family, whose children go to that school, that were recently burned
